Hi Krystal,

This is the full list. I haven't worked through identifying facilities for the "short list" yet, but if you need that now I can probably get that done today or tomorrow. Let me know.

Best,
Amanda

Subject: SNC Lists

Hi Amanda,

I am going to be out of the office for most of October, so I'm trying to get a head start on checking our SNC facilities. Mining is having a lot of problems with their DMRs (I believe they're working with EPA on this), which has temporarily skyrocketed our SNC rate. I want to make sure we don't have any other issues we need to examine.

I was wondering what you use when you pull the full SNC lists? The lists I get from ECHO don't ever look like what you send us.

Thanks!
